Your Touchstone Energy® Cooperative 

AGREEMENT AND WAIVER FOR ELECTRIC WATER HEATING CREDITS

Owner/Consumer: _____

Account Number: _____ Telephone #: _____

This agreement was executed this _____ day of _____, 20 _____, between Jump River Electric Cooperative, Inc., a corporation organized under the Laws of the State of Wisconsin, (hereinafter referred to as the “Cooperative”) and the above-named consumer.

WHEREAS, it is in the joint interest and benefit of the named parties to conserve the use of electrical energy and to minimize the cost of electrical energy sold and delivered by the Cooperative to the Owners/Consumers.

NOW, THEREFORE, it is hereby agreed by and between the parties as follows:

1. The Owners/Consumers agree to have a load management device installed on the equipment. Jump River Electric Cooperative will install/inspect the load management device within 30 working days from notification of installation.
2. If the water heater is purchased from Jump River Electric Cooperative, the Owners/Consumers agree to have this water heater installed on the premises served by Jump River Electric Cooperative within 45 days of purchase, or by _____, to qualify for a \$_____ rebate. The applicable rebate will be issued once installation/inspection of the load management device occurs.
3. The receiver shall be installed on the outside of building per the Cooperative’s requirements and will remain the property of the Cooperative.
4. The Cooperative shall furnish all wiring materials for connecting the radio receiver, which shall remain the property of the Cooperative.
5. The Cooperative reserves the option to remove their equipment and materials at its discretion.
6. The Owners/Consumers agree to allow the Cooperative to periodically inspect the Owners/Consumers premises to monitor electric energy usage and inspect its equipment.
7. Tampering with the Cooperative’s equipment shall invalidate this agreement and the Owners/Consumers will be subject to the Cooperative’s policy regarding this matter.

8. The Owners/Consumers agree that the water heater will remain at this location for at least one year after installation or the Owners/Consumers will pay the remainder of the water heater cost based on Jump River Electric Cooperative's pricing at that time.
9. The Owners/Consumers do hereby release, discharge, agree to indemnify, assume sole responsibility and hold harmless the Cooperative from liability for any injury or damage to the person(s) and/or property of the Owners/Consumers, or any trespasser on the Owner/Consumers property resulting from the use of, directly or indirectly, said water heater controls excepting only and such injury or damage resulting from the willful act of Cooperative's representatives, agents or employees.
10. If the receiver system is removed from the Owners/Consumers premises, the Cooperative will not be responsible for repairing screw and drilled holes, discoloration or damage to buildings.
11. All applicable water heater rebates will be null and void after one year from date of agreement form.
12. The undersigned hereby certifies and agrees to the conditions as described herein.
